

Individualized Coaching

Unlimited Ongoing Support

- **Virtual 30-minute coaching sessions** designed to help leaders align to changing and emerging realities and build a successful crisis leadership plan.
- **Individualized solutions** that enable leaders to navigate the intricacies of driving strategy through change with virtual teams.
- **Emphasis on navigating the current COVID-19 situation**, but also on long-term, sustainable virtual team leadership.

Leading a virtual team through a crisis requires a unique set of leadership capabilities. A dedicated ExecOnline Coach will guide leaders on the agile competencies required to rapidly respond to changing realities.
